

PCHR INSERT FOR BABIES BORN WITH DOWN'S SYNDROME

Second Edition, October 2000.

The following pages are extra pages for your baby's Personal Child Health Record Book (the Red Book). They have been produced by the UK Down's Syndrome Medical Interest Group. They are for babies who are born with Down's syndrome. They give additional information which will help you maintain the health and well being of your child. They include special growth charts for BOYS and GIRLS.
